A) November 23-25, 2009: The Government of Kosovo hosted a Republic of Croatia delegation of export control law best practice experts. The delegation consisted of representatives from the Ministry of Foreign Affairs, Customs Directorate, Ministry of Economy, Ministry of Interior, and Ministry of Defense. Discussions focused on assistance and guidance in developing export control legislation and an exchange of information about roles and responsibilities of each ministry dealing with non-proliferation matters. Kosovo officials discussed their current draft law on Export Control and Dual Use Goods. Croatian officials also identified areas where Kosovo's first draft of the Export Control Law may need improvement.

During the delegation's visit, separate meetings were held with the Kosovo Ministry of Economy and Finance, Ministry of Foreign Affairs, Customs, and Border Police. The meetings provided opportunities for the Croatian officials to focus on areas of mutual interest and exchange information about current best practices. Croatian officials from the Border Police and Customs Directorate offered

their future assistance to Kosovo Border Police and Customs.
